

► CEADO

# E37S

## PRODUCT INFO

For freshly ground coffee every time. Latest-generation electronics combine with Ceado's hallmark reliability and innovation to allow the E37S to bring out the very best in the coffee.

## KEY FEATURES

- **Steady Lock Grinder** — unique in the world, this system ensures a constant distance between the burrs, perfectly keeping the chosen grinding consistency
- **SCC Control** — the innovative static and clumping control system, brings out the very best in each blend
- **Smart Service** — the anti-clogging system and easy access to the burrs make maintenance operations simpler & less expensive
- **Quick Set Revolution** — revolutionary stepless infinitesimal grinding adjustment for a simpler, faster, more accurate result, making it simple to obtain required particle size
