

► CEADO

# E5P

## PRODUCT INFO

Productively, a giant! The compact design fits easily into any premises while the extreme ease-of-use makes it ideal for any operator.

## KEY FEATURES

- Steady Lock Grinder — unique in the world, this system ensures a constant distance between the burrs, perfectly keeping the chosen grinding consistency
- Hands-free operation — the easily adjustable portafilter catch allows coffee doses to be ground directly into the portafilter, without occupying the barista
- Easily cleaned — the transparent polycarbonate hopper has a completely smooth interior with no corners, making periodic cleaning simpler & more effective
- Strong, reliable materials — light alloy housing, asynchronous motor with thermal cut-out & polycarbonate hopper
