E7

PRODUCT INFO

The Quick Set Revolution and Steady Lock Grinder system take today's standards of precision and user-friendliness up into a new dimension. E7 is suitable for premises with medium turnover.

KEY FEATURES

- Steady Lock Grinder - unique in the world, this system ensures a constant distance between the burrs, perfectly keeping the chosen grinding consistency
- Quick Set Revolution — revolutionary stepless infinitesimal grinding adjustment for a simpler, faster, more accurate result, making it simple to obtain required particle size
- Strong, reliable materials - light alloy housing, asynchronous motor with thermal cut-out & polycarbonate hopper.- 3 year guarantee on product, lifetime guarantee on doser spring
- Engineered for quiet - The innovative mechanical suspension of the motor is soundproofed to make Ceado coffee grinders the quietest on the market
