PRODUCT INFO

Freshly ground coffee every time, with consistent, precise performance. With the lowest-speed motor on the market, customised burrs, and latest-generation electronics, even the most demanding coffee connoisseur is sure to be more than satisfied.

KEY FEATURES

- Quiet, efficient and easy to clean – just as you'd expect from a Ceado coffee grinder
- 240RPM — The extremely low-speed motor and exclusive conical burrs guarantee the freshest grind on the market
- Consistency — E92 works consistently and accurately to guarantee the serial production of uniform doses of fresh coffee every time
- Quick Set Revolution — revolutionary stepless infinitesimal grinding adjustment for a simpler, faster, more accurate result, making it simple to obtain required particle size
- Steady Lock Grinder — unique in the world, this system ensures a constant distance between the burrs, perfectly keeping the chosen grinding consistency
